Blob Knows Best: Redistricting Matters

I don't, Gob. If you want your party to stay in office, you'll have to win the majority of the districts.

You're right. That will be impossible with the way the districts are currently drawn...

I say we pack all the citizens likely to vote for the other party into one district.

I say we dilute the power of their vote by "cracking" them up into many districts. Either way, we need to move fast!

Meanwhile...

Happy birthday, Gob! Now that you're 18, what are you going to do?

I'm going to vote!

I can't believe Gob won again! We need fair maps. Otherwise, what's the point of voting if it doesn't make a difference because of the way the districts are drawn?

Later, on Election Day...

To Learn more about redistricting consult the LWVUS tool kit:

STRATEGIES FOR REDISTRICTING REFORM IN YOUR COMMUNITY

EDUCATE: Hold public meetings and share material about reform in your community.

ADVOCATE: Talk to lawmakers about reform opportunities and work to change the system.

LITIGATE: Consult with LWVUS on litigation opportunities that challenge existing systems and maps.

MONITOR: Become a watchdog for redistricting by tracking changes to the ways that redistricting is done at all levels of government.

ENGAGE: Activate grassroots supporters and work in coalition for reform and on existing redistricting processes.

PUBLICIZE: Share the work of the League via press releases, Op Eds, letters to the editor and social/earned media opportunities.

TELL US ABOUT REDISTRICTING EVENTS IN YOUR COMMUNITY AND WE WILL HELP YOU PROMOTE THEM!
