

## Satisfying National PMP with Education Funds

The national Board approved a policy that permits your League to satisfy up to 50% of its PMP obligation through tax-deductible contributions to the League of Women Voters Education Fund.

This can be done by requesting the funds from your Education Fund. If your League has a balance that supports the request, LWVEF will withdraw the funds and apply the amount towards your League's national PMP obligation. If you have checks that have been allocated to the Education Fund for PMP specifically, please send them in with a deposit slip and this form requesting the withdrawal of funds.

Please complete the below form in its entirety and email to [GrantServices@lww.org](mailto:GrantServices@lww.org). Alternatively, the form can be mailed to:
