

## Satisfying State PMP with Education Funds

The national Board approved a policy that permits your League to satisfy a portion of your League's State PMP obligation through tax-deductible contributions to the League of Women Voters Education Fund. The allowable amount is determined by your State League, please reach out to them to confirm before submitting this request.

As long as your League has a balance that supports the request, LWVEF will withdrawal the funds and send a check to your State League to satisfy your State PMP obligation.

Please complete the below form it its entirety and email to [GrantServices@lww.org](mailto:GrantServices@lww.org). Alternatively, the form can be mailed to:
