

## PEOPLE POWERED DAY OF ACTION MENU OF ACTIVITIES

Activity Type	Purpose	Examples	League Resources and tips!
Advocacy	Demand legislators and those with map-drawing power draw fair maps. This can be by way of advocacy for state-specific legislation that increases transparency, public input, and/or protects communities of interest, or by way of advocacy at the federal level for HR1 or HR4.	<p><b>Contact legislators to demand fair maps</b> This effort could be directed at those drawing maps, and they can be related to state and/or federal legislation.</p>	<p>Check out the League merch portal for:</p> <ul style="list-style-type: none"> <li>• <a href="#">C3 Postcards</a></li> <li>• <a href="#">C4 Postcards</a></li> </ul>
		<p><b>Lead a social media pressure campaign:</b> Dedicate a day to tag legislators on social media and explain your coalition’s expectations for fair maps.</p>	<p>Reach out to LWV staff who can help brainstorm targets, provide guidance on social media posts, and ideas for how to bring in partners!</p>
		<p><b>Lobby day</b> This could be a car caravan with a banner drop, distanced or virtual rally, or coordinated in-district meetings.</p>	<p>You can utilize swag found on the merch portal! Including:</p> <ul style="list-style-type: none"> <li>• <a href="#">Buttons</a></li> <li>• <a href="#">Stickers</a></li> </ul>
Education	Increase awareness of the redistricting process including how to get involved, what has changed this year (especially when considering the new Census timeline), and why it matters.	<p><b>Virtual events with partners</b> You can discuss how gerrymandering/redistricting impacts your community and the issues you care about. This can be something like a tweetstorm on April 29 with partner organizations where you provide sample tweets and potentially graphics to raise awareness of what’s going on locally.</p>	<p>Check out the digital organizing and virtual event guidance <a href="#">housed here!</a></p>
		<p><b>Provide trainings to the public</b> Topics can include: Redistricting 101, speakers bureau, providing testimony, or map drawing. This can also be an opportunity to produce and show unity maps with partners.</p>	<p>Refer to the redistricting related training resources found on <a href="#">this webpage!</a></p>

		<b>Traditional media</b> Work with League members and partner organizations to place an op-ed or letter to the editor (LTE) raising awareness about redistricting in your area	Join us on <a href="#">March 18</a> for brief tips on how to make the most of your LTEs and op-eds.
Electoral Outreach	This can serve as a critical entry point for people to get to know about the redistricting process and how it is an element of civic engagement.	<b>Host a voter registration drive</b> Register new voters or make sure that those new to an area, displaced, or have moved, have updated their voter registration status. This ensures they are not disenfranchised when it is time to vote and can be used as an opportunity to highlight the connection between voting and redistricting.
