

MASTER TEMPLATE Demographic Survey

Diversity, equity and inclusion (DEI) are major goals of the League of Women Voters of [your local League name here]. We want the membership of our League to reflect the community in which we live. We also want our League to better serve the needs of our community. In order to measure our DEI progress and improve our services to you and our community, we are asking all League members to share some personal data.

We understand how important privacy is. Therefore, your personal information will be kept completely confidential and will remain within our organization. We will share only statistical percentage results of the survey -- for example, the percentage of members who fall within a certain age range. The data will enable us to see what we look like as a League, show us where we need to direct our diversity work and strengthen our grant applications in support of our DEI goals. Your name on this form is optional and your participation is voluntary; however, as stated earlier, your participation will help us understand who we are and how we can better serve you and our community.
