2021 LWVWI Annual Demographic Survey

Diversity, equity and inclusion (DEI) are major goals of the League of Women Voters of Wisconsin and all 20 of our affiliated local Leagues. We want the membership of our Leagues to reflect the communities they serve in order to serve them better. As a means of measuring our DEI progress and improving our services to you and your community, we are asking all League members in Wisconsin to share some personal data.

We understand how important privacy is. Therefore, this survey is NOT collecting your name or email address, only your local League affiliation or member-at-large status. Survey responses will be sorted by local League affiliation and forwarded to local League leadership.

The personal information you share in this survey will not be associated with you as an individual. We will share only statistical percentage results of the survey -- for example, the percentage of members who fall within a certain age range. The data will enable us to see what we look like as a League both statewide and locally. It will also show us where we need to direct our diversity work and will strengthen our grant applications in support of our DEI goals.

PLEASE COMPLETE THE SURVEY BY FEBRUARY 14, 2022.
