

Transcript: Make Your Voting Plan

My friends and I have been thinking about our reproductive rights, so we started talking about voting in the upcoming election.

My friend told me she used VOTE411 dot org for her first-time voting. It helped her figure out her voter registration, learn about candidates on her ballot, and more! She even made a personalized voter guide!

And she didn't have to wait until Election Day to cast her vote. VOTE411 lets you know whether you can vote early in person or by mail in your state.

Head to VOTE411 dot org today and make your plan to vote.
