## OUR HISTORY

Established in 1920 as women were gaining the right to vote, **the League is one of the nation's most respected community-based organizations.** In addition to our work in elections, League volunteers work on issues of local importance, from education to land use and housing.

We are an organization fully committed to diversity, equity, and inclusion in principle and in practice.

## MEMBERSHIP

Join the League of Women Voters and be part of an organization that is:

- **Empowering millions to exercise their right to vote** by holding voter registration drives, sponsoring candidate forums, and informing the public about their rights on Election Day.
- **Protecting the right to vote against threats** and ensuring that every vote is counted by fighting for voting systems that are free, fair, and accessible.
- **Advocating for positive change at the local, state, and national level** on issues such as education, government accountability, and money in politics.
- **Fostering civil dialogue about important community issues**, such as government spending, climate change, immigration, and civil liberties.

## NONPARTISAN

The League is proud to be nonpartisan, neither supporting nor opposing candidates or political parties at any level of government, but always working on vital issues of concern to members and the public.
